

## **General Conditions**

### **Payment**

*If a reservation is made within 45 days prior to departure, full payment is required immediately to confirm the reservation. Reservations made prior to 45 days of arrival date require a 25% deposit of the rate quoted. In both instances, a check number guaranteeing payment and representing a commitment to fulfill the payment requirements is required at time of booking to secure and confirm reservations. A \$25.00 administrative fee will be charged to make changes to confirmed reservations.*

### **Refunds**

*No refunds will be made for any cancelled, missed or unused portions of these reservations. In the event of cancellations received 30 days or more prior to departure, a credit representing the total amount of payment received will be issued for future use by the same clients, at the same property and will be valid for a period of one (1) year from the original travel date. The credit amount will be applied to the prevailing rates applicable at the time of the new reservation; any increase in rates will require additional payment to cover those increases. No credits will be offered for cancellations that are made 30 days or less prior to arrival. Leisure Life Vacations International Inc. strongly recommends the use of travel insurance for protection as the above noted conditions are strictly adhered to.*

*\* Unless otherwise specified, hotel, government tax and service charges are not included and are payable at time of booking.\**
